Note: There will be no extra charge on early dismissal days for students who attend the After School Care Program full time, every day. Rates are based on a yearly cost and therefore will remain constant on a monthly basis, regardless of the actual number of days in any given month. The rate system allows a savings, while at the same time giving you the advantage of a fixed rate.

Rates quoted must be paid monthly. **All monthly payments are to be made on or before the first of each month.**

Credits will not be issued if your child has after-school meetings or receives a retention or detention: however, students may join the Extended School Care Program following their school obligations. All students attending Extended School Care who do not come every day are considered part-time and will be charged a flat fee of \$6.00/hr. for one child, \$7.00/hr. for two children or \$8.00/hr. for three children. Payment for part-time students must be made in advance according to your projected usage for that month - August through May. Any balance or credit will be forwarded to the following month. **Late Fees:** A \$1.00 per minute per child late charge will be assessed to all parents who arrive late. The late charge must be paid in **CASH** when the child is picked up.

All children are to bring their own snacks and drinks(no canned drinks, i.e., Coke, Sprite, etc.)
