

Homework Page Issue

Please accept our sincere apologies for the inconvenience, but we have not been able to post weekly homework sheets for the past couple of weeks because the person who handles that multi-step process has been out ill.

In the meantime, lower grades are continuing to send home with the children weekly PRINTED homework sheets, while middle school students may find their assignments posted on Google Classroom.

We are sorry for this temporary situation. Should you have a question, please contact your child's teacher for clarification.
