Dear Parents and Friends of St. Edward the Confessor School:

Last year, we hosted our first-ever Booster Run, a fun activity that allowed us to raise needed funds by reaching out to friends and family all over the globe. Last year, we met our goal and were able to apply all the donations toward additional teacher compensation.

Sponsored by the St. Edward the Confessor Grandparents' Club, this year's event will take place in the Spring of 2024. The goal of the event is to *net* at least \$40,000 that can be applied toward enhanced teacher compensation for the 2024-25 school year.

Our school offers many enhancements, including arts and language programs, a wide range of extracurriculars, guidance services, and a well-maintained campus. We are careful stewards of our resources, but all these features are expensive. Our faculty are dedicated to the children they serve, and it is through their dedication and sacrifice that we can operate a first-rate school. We ask that you join us—and invite your friends and family—to bridge at least part of this gap for our faculty.

While we continue to work towards increasing compensation for our loyal and dedicated teachers, we are hesitant to do so in a way that could cause financial hardships for our families. The Booster Run is a way to help us come closer to compensating them reasonably.

If, on the other hand, you would prefer to make a private donation to the teacher compensation fund, please send your donation to the school office, payable to, "St. Edward the Confessor School," with the phrase, "Wind beneath Our Wings" in the comment line on the check. 100% of the funds thus received will be applied to enhancing faculty compensation.

Thank you very much for your support of St. Edward the Confessor School.

Sincerely,

Thomas E. Becker

Principal

St. Edward the Confessor School
